Responding to the Current Climate & Students' Evolving Needs

Necessity is the mother
of invention . . . or in this
case, adoption.

One Key Item to Consider

- **Are there barriers created that need to be removed?**
 - If so, how can the barrier be removed and greater access be provided?
 - Content
 - Peer to peer engagement
 - Assessment
-

Will COVID-19 have a
long-term impact on
education methods?

Current Crisis: Long-Term Impact

Potential Impact & Results

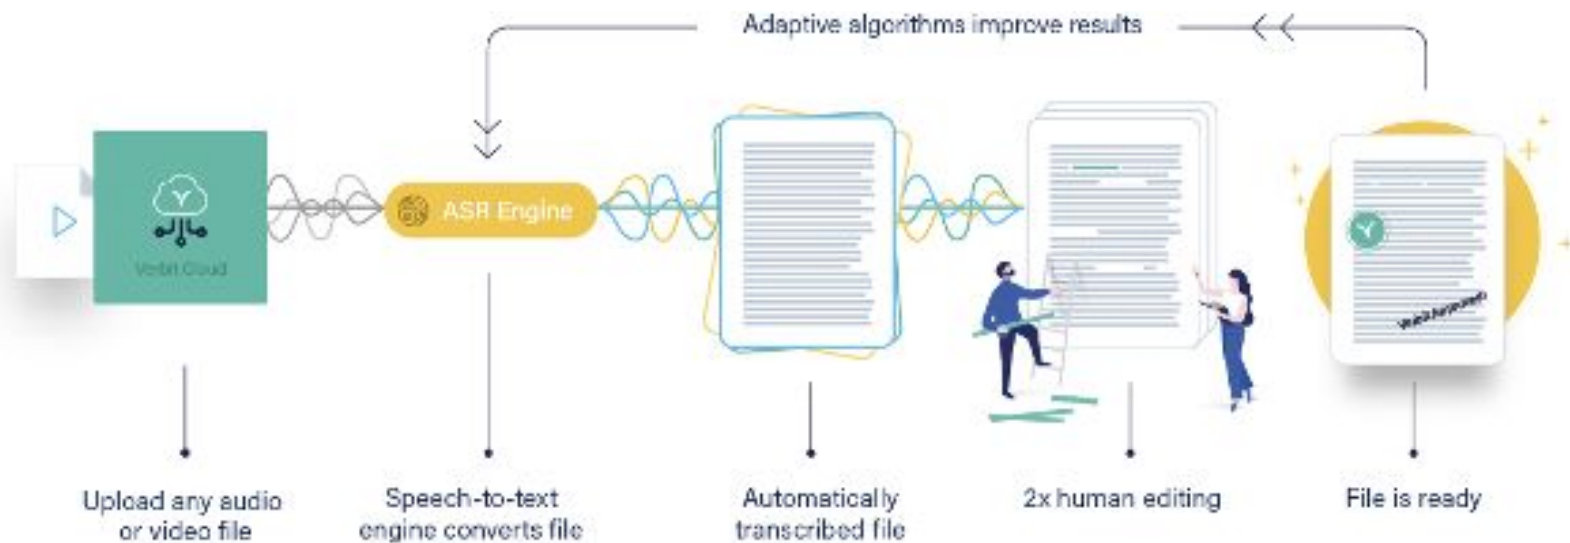

- Greater adoption of technology - hybrid methodology
 - Increased collaborative learning
 - Empowered learners to greater ownership of learning
-
